COAT OF ARMS

The Sun, the ultimate source of all energy on earth rising from the background, stands for power, progress and radiance.

The full blown Lotus growing out of the lake symbolises the emergence of the mind and its triumph over matter after gradual evolution and development.

The Elephant stands for strength, majesty, poise and tolerance, the qualities which go to make a balanced personality.

The mystery planet Saturn spinning in the vast expanse of space and time to the accompaniment of speeding stars and nebulae symbolises the eternal harmony, order and system manifesting the universe.

The Atomic Circles symbolise the advancement of Science which lights up the flame of true knowledge, dispelling the darkness of ignorance and spreading enlightenment around.

The avowed motto of the institution is to discipline the human mind ultimately leading to inner freedom and harmony. The real greatness of a person depends on his mental make-up, its stature and poise as embodied in the line picked from Thirukkural.

INTRODUCTION

The 14th day of July 1967 marked a significant and initial landmark in the progress of higher education in Karaikal region of the Union Territory of Puducherry when the Modern College affiliated to the University of Madras was inaugurated by His Excellency Thiru S.L.Silam the then Lieutenant-Governor of Puducherry. It is an important mile-stone in as much as it was the culmination of the efforts of the elite and public of Karaikal as well as the Government of Puducherry to fulfil a long-felt need of the people in the area to have an institution to impart higher education to their off-spring. The college offered instruction in Science and Humanities at the Pre-University level in the beginning. The intense interest evinced by the Government in the development of the institution made it possible to up-grade it even during the brief spell of its existence for a year. The B.A./B.Sc. degree courses in Economics, Mathematics and Chemistry (major subjects) were started in July 1968. In December 1969 the college was re-named Arignar Anna Government Arts College at once imparting a new significance and dimension to the ideals for which the college stands, as well as with a view to commemorate the name of the great leader '**PERARIGNAR ANNA**'. It has become a full-fledged degree college during the academic year 1970-71. In June 1973 additional affiliations in the degree level for B.A. Tamil Literature main was secured.

In June 1978 additional affiliations for B.Sc. Physics and B.Sc. Zoology were secured. The Post-Graduate course in Tamil was introduced in the year 1979. The B.Com course was introduced in the academic year 1980-81. M.A. course in Economics in the academic year 1981-82 and M.Com course in 1985-86 were introduced.

The B.Com. course in the evening college was started in the year 1985-86. With effect from the academic year 1986-87 the college is affiliated to the Pondicherry University. M.A. courses in Social Work and Public Administration were introduced from the academic year 1993-94.

The B.Sc. Computer Science course is introduced from the academic year 1998 - 99. M.A. (Eco.) M.A. (Tamil) & M.Com. courses are re-introduced from the academic year 1997 - 98. M.Sc. (Computer Science), M.Sc. (Maths), M.Sc. (Chemistry) courses are given affiliation from 2017-18.

National Assessment and Accreditation Council, Bangalore has visited the college and accredited with C++ Status in the year 2004.

The college was reaccredited with 'B' grade in the year 2015. Permanent affiliation has been obtained for all the U.G. and P.G. Courses except M.A. Tamil, M.P.A., B.Sc. Chemistry and B.Sc. Maths.

Centralised admission procedure for Arts and Science courses (CAPASC) is introduced from the academic year 2016-2017. Choice based credit system was introduced in the academic year 2017-18. Admission is carried out by Centac, Puducherry (Online) from academic year 2018-19
