## **ABOUT THE INSTITUTE**

Arignar Anna Govt. Arts & Science College, Karaikal was started by the Government of Puducherry on 14<sup>th</sup> July 1967. This was a significant and initial landmark in the progress of higher education in Karaikal. At present, this college also has an added challenge of catering education primarily to the economically under privileged section. We offer quality education with social, moral and ecological codes to the rural and under privileged students of this region. The core mission is to strive for excellence in our academic social pursuits upon which the 50 year old foundation and faith of this college lies.

## **ABOUT THE DEPARTMENT**

The Physics Department at Arignar Anna Govt. Arts & Science College, Karaikal is maintaining a strong commitment to teaching since its formation in 1978. The Department of Physics have experienced, well-qualified and motivated faculty members with specializations in various fields like Nanomaterials, Spectroscopy, Energy Storage Devices and Crystal Physics. The objective of the department is to impart quality education to the UG and PG (KMPGS-Karaikal Campus) students, and motivate them towards research activities.

## **THEME OF WORKSHOP**

This workshop will provide the platform for scientists, research scholars, academic as well as industry persons to share their knowledge through cutting edge results in the field of energy. This workshop will provide knowledge in the preparation and characterization of materials for energy conversion like solar cells and storage devices like Batteries, Supercapacitors etc.

## **RESOURCE PERSONS**

Dr. Amrtha Bhide, Assistant Professor, Department of Physics, National Institute of Technology, Puducherry.

Dr. B. Saravanakumar, Assistant Professor, Energy & Materials Research Laboratory, Dr. Mahalingam College of Engg. & Tech. Pollachi, Tamil Nadu.

Dr.B.Sethuraman, Assistant Professor, Nano Research Laboratory, Department of Physics, SRM-TRP Engg. College, Trichy.

## **REGISTRATION DETAILS**
